Name of Offeror or Contractor:

SECTION A - SUPPLEMENTAL INFORMATION

1. The purpose of this Amendment 0001 is as follows:
 - a. The fill-in for C-2 (CF6510) Phosphate Coating Requirement, page 15 of the basic solicitation should be:

TACOM-RI
ATTN: AMSTA-LC-CFAA/Terri Maple
Rock Island, IL 61299-7630
 - b. Clause I-34 (IF6029) Order Limitations, page 24 of the basic solicitation, paragraph (a), Minimum Order, is corrected to state 10 each for CLIN 0001; 60 each for CLIN 0002; 15 each for CLIN 0003; and 8 each for CLIN 00004.
2. The narrative in Section M, page 39 of the basic solicitation is changed as follows:

"PRICE - EVALUATION CRITERIA

 1. The Government will evaluate offers based on prices proposed for each CLIN for all pricing periods and any other price related factors required by the solicitation.
 2. For purposes of evaluating CLINs 0001 and 0002, the proposed unit prices for each quantity range will be multiplied by the weight and the resulting three products will be added to arrive at a weighted unit price which will then be multiplied times the estimated quantity. The evaluated price for each pricing period will be the sum of the weighted prices times the estimated quantities for all CLINs. Award will be based on total evaluated price (the sum of all CLINs for all pricing periods).
 3. The weights represent the likelihood that if an order is placed, it will be placed in that range.
 4. If the offeror fails to propose for all quantity ranges and all pricing periods, the Government may reject that offer as unacceptable."
3. Offerors are required to sign and return one (1) copy of this amendment with their offer by electronic means.
4. As a result of this amendment, the time for receipt of offers remains 03:45 p.m. CDST 2000JUN05.
5. All other terms and conditions remain unchanged.
